

TATA STEEL
(INTERNAL COMMUNICATION ONLY)

Ref. No:- JMB/TMD/661/2014

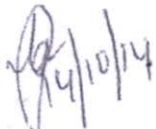

Dated:- 14-10-14

To,
The Principal,
TATA DAV School, Sijua.

Sub:- Issue the certificate regarding the safety of land to constructs upto G2 phase.

As advised by you, we have visited TATA DAV School, Sijua & found that already construction done. More over we have discussed with survey Deptt. & BAC, they said that land is firm already existing building of 3 stored is there. Hence as per our view no harm in safety of land.

As per the site visit by say & Asst. Mgr. it has cleared that the strata is firm as confirmed to construct to G2 phase.

Sr. Mgr. (TMD),
Jamadoba.
