

ENGLISH LITERARY ASSOCIATION

The English Literary Associations aim at providing a conducive environment and platform where students get connected with the language and feel the importance and its gravity resulting into impending immense confidence within and sparking covert and overt behavior. A passion to acquire higher order skills such as creative communication through the media of prose, poetry, drama etc. All students from class I are the constituents of these associations. These activities are well integrated with the curriculum to help students in higher academic achievements.

The aim of the club is :-

- *To foster creativity of the students by providing opportunities to exhibit their creative skills.*
- *To inculcate among students a love for language and enhance their literary skills, encouraging students to become effective orators to display their intellectual and independent thinking skills and imbibe a sense of confidence.*
- *To provide exposure and experience to the students through on-stage performances of Shakespearian and other plays.*
- *To promote communication skills of students and help in team work, ability to speak and emote before an audience thereby increasing the emotional quotient of the students.*
- *To enhance communicative skills and confidence of the students by means of debates, storytelling sessions and discussions.*
- *To build English language skills of the students through an hour with Principal, the art of questioning, and other language enrichment activities.*
- *Cultivate reading habit among the students by organizing reading sessions followed by review writing.*
- *To generate interest in books and literature by organizing literature quiz contests.*
